Our MirageVision Hi Bright-SQE models are designed for outdoor digital signage and hospitality hotel/resort TVs/displays. Brightness ranges between 1500+ NITS. This series was developed for Hi-End Residential & Commercial Use. These models are all High-end Samsung Upgraded Hi Bright-SQE donor TVs that incorporate the latest in Samsung proprietary MV-DQ technology, such as, Quantum Dot, HDR (High Dynamic Range Contrast) that magnifies 100% color, more than a billion additional shades of color compared to standard UHD (4k) models. These models are Smart TVs with built-in WIFI and Apps. They also incorporate our proprietary MPET outdoor calibration that enhances the brightness, color, gamma and contrast in outdoor daytime viewing. These models are rated at twice the brightness compared to standard UHD (4k) models and more than four times the resolution when compared to standard HD (2k) models. We have an optional aluminum enclosure and additional heavy duty fan motors for added commercial and residential environmental protection.

FEATURES

Q | 4K WITH MR 240
Get perfect color with more than a billion shades and 100% color volume with exclusive new Quantum Dots.

Q HDR
4K HDR Elite delivers elite / mega contrast and expanded color detail which reveals subtle lost details even on challenging white on white color pallets.

QUAD-CORE PROCESSOR
Enjoy a fluid browsing experience and faster control - switching between apps, streaming content, and other media effortlessly.

SMART APPS & FULL BROWSER
Put your favorite media and entertainment at your fingertips with apps built for your Outdoor Smart TV - including streaming TV and movies, sports, social media, interactive games, weather, and more.

VOICE CONTROL
Voice recognition makes it easier and more fun, when navigating through your favorite content choices.

DOLBY DIGITAL PLUS + DTS PREMIUM SOUND 5.1
Dolby Digital Plus optimizes your entertainment experience with enhanced sound richness and clarity. Feel like you're part of the action by immersing your senses in 5.1 surround sound.
